Located at the intersection of Routes 2 and 128 just 30 minutes from Boston, Lincoln is a beautiful community of diverse home styles on spacious lots. Secluded but also sophisticated, Lincoln offers rolling fields, stone walls, and wood barns that create a relaxing country atmosphere for those who travel to urban employment centers. Many of yesterday's country estates now serve as schools, museums, town buildings, or parks. Lincoln is known for its excellent school system, innovative educational programs, and for the cultural opportunities offered by the DeCordova Museum and Drumlin Farm. Preservation of open space and protection of its rural character is a high priority for Lincoln residents and planners, evidenced by open parcels throughout the community. Complementing the significant acreage for wildlife and conservation trails are tennis courts, a swimming pool, and playing fields.
